VOLUNTEER SPOTLIGHT

Cathy Murphy

Meet Cathy!

Cathy has been volunteering with River City Habitat since 2014. She has previously worked with the Tuesday Construction Crew and currently serves on the Family Support Committee.

Harriet Waldo, a long-time volunteer for River City Habitat, inspired Cathy to volunteer. Volunteering on the Family Support Committee has given Cathy the opportunity to meet several of our Partner Families that we work with to build their homes. Cathy says she has a “good time” working with the staff and other volunteers and Habitat. Cathy lives with and cares for her 95 year-old father, Dean.

Thank you Cathy for everything you do at RCHFH!
