

# VOLUNTEER SPOTLIGHT

## **Erin Weiss**

### **Meet Erin:**

Erin has been a volunteer with River City Habitat for Humanity since 2011. She serves on the Family Support Committee and the Board of Directors. Erin has also volunteered at special events.

Erin chose to volunteer with Habitat because she wanted to work together with others to serve and improve the quality of life for families in the community. Erin loves seeing the hope in the eyes of the Habitat Partner families as their hours and homes are near completion. Erin works locally in healthcare and lives with her husband Andy. They have three children.

**Thank you Erin for everything you do for RCHFH!**
